

Dear Masons,

Thank you for the dictionaries.  
We love reading them. We found  
lots of facts and information.  
Some of us are reading sign  
language and we're also  
learning about Braille, The declor-  
ation of indepdente, the constitution,  
and about the States. We play  
a game guessing what the  
Capitals are. We are also  
reading about the 43 pcesidents.  
We also found math that can  
help us at math time. We think the

dictionaries are really awesome.

Thank you for our dictionaries.

Sincerely,

rm. 3 at Charles hay
